GROWING PENTECOSTALS

## A Disciplined People...

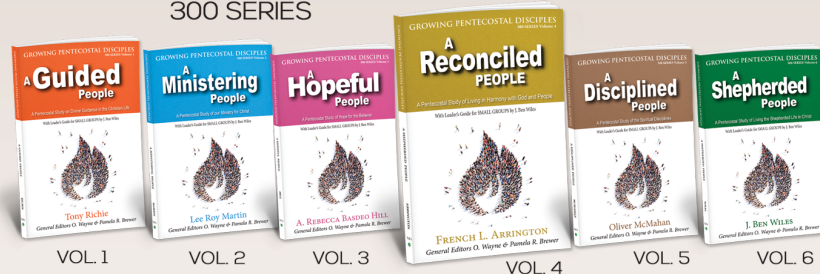

A Disciplined People – A Pentecostal Study of the Spiritual Disciplines gives to the reader a deep and richly exegetical understanding of the spiritual disciplines found in Paul's writings, in Galatians, Ephesians, Romans, Philippians, and Colossians. One-third to one-half of each of these New Testament books focuses on behaviors or disciplines that directly result from the work of the Holy Spirit within the believer. Dr. McMahan highlights the Holy Spirit as the Source and Sustainer of the spiritual disciplines! An exciting study, you will grow in the Spirit-led life as you learn of the fruit of the Spirit, your relationship with others, your relationship with God, circumstances, and having the "mind of Christ"!

An excellent volume on truly "living in the Spirit," A Disciplined People offers a bonus fifth week of study in the appendix.
