VOLUME 3
DISCIPLING PENTECOSTALS

A Fruitful People: A Pentecostal Study on Bearing the Fruit of the Spirit.

In this volume of the Discipling Pentecostals series, Wilmer Estrada-Carrasquillo unfolds, from the Word, the ninefold fruit of the Spirit with an eye toward discipleship and a truly Pentecostal approach to Scripture. The author teaches and gives application to the fruit of the Spirit as first, solidly based in the Word, second, guided by the Spirit, and third, lived out within the community for believers.

In Week One, the importance of preparing one's heart in order to receive the seed of the Word of God is explored in depth. In Week Two, the first trio of aspects of the fruit of the Spirit—love, joy, peace—is studied. While Week Three digs deeply into patience, kindness, and goodness, Week Four rounds out A Fruitful People by examining and applying the final triad of faithfulness, gentleness, and self-control. Believers will indeed learn how to walk in the Spirit and be led by the Spirit while they also live by the Spirit!
