GROWING PENTECOSTALS

**A SHEPHERDED PEOPLE – A
Pentecostal Study of Living the
Shepherded Life in Christ**

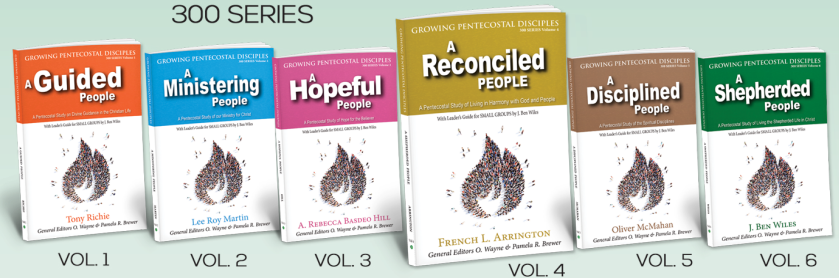

A Shepherded People...

In this sixth volume of the Growing Pentecostal Disciples series, J. Ben Wiles brings to us a rich and decidedly enlightened understanding of one of the most loved passages in the Bible – the 23rd Psalm! A Shepherded People takes the reader on an intimate journey with the Good Shepherd Jesus Christ.

In Weeks One through Four, the reader will come to understand both what it means for the Lord to be our shepherd and to fully appreciate the description of Jesus Christ as the Good Shepherd. The believer's calling to be Jesus' disciple will be genuinely grasped as the role of the "other" Shepherd (the Holy Spirit) is discussed. The shepherding process and the transformative work of sanctification will be highlighted to assist us in living out the "Shepherded life." This volume will greatly encourage you.
