VOLUME 1
GROWING PENTECOSTALS

A Guided People...

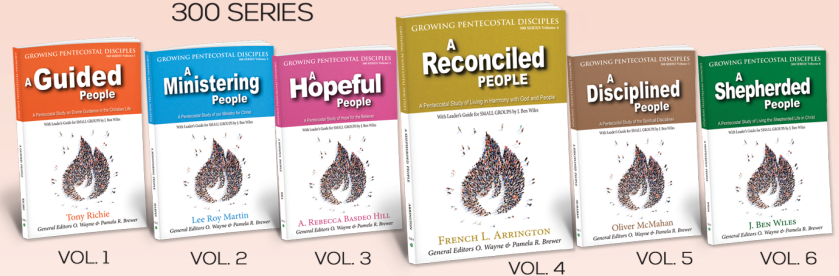

In this first volume of the "Growing Pentecostal Disciples" series, Tony Richey takes us on a journey into what divine guidance is, why it is so vital, and how it works in the life of a believer!

In Week One we are introduced to divine guidance throughout the Scriptures and history right up into our present time. Week Two explores how believers are guided by the Holy Spirit, Scripture, the Church, through prayer, and in holy love. In Week Three Dr. Richie teaches us the attributes that characterize believers who are guided by God, while Week Four displays the multiple benefits of living with divine guidance. A Guided People will illuminate and encourage you in your walk with Jesus.
