VOLUME 2  
DISCIPLING PENTECOSTALS

Dr. O. Wayne Brewer's *An Overcoming People* is a balanced, scriptural and eye-opening treatment of victorious spiritual warfare from a decidedly Pentecostal perspective. We are introduced to the believer's first enemy, the "world" and how this world system is at war with God's righteousness. The second enemy we have in spiritual warfare is the "civil war" of the "flesh" and fleshly spiritual strongholds that need to be destroyed. Satan and his dark kingdom is the third enemy of the child of God because of whom God has given us necessary spiritual armor. In addition, Dr. Brewer teaches us the overcoming victory we have in Christ, as we submit to His authority and are led and empowered by the Holy Spirit. Complete with helpful illustrations, this volume will both mature and encourage the reader.
