

GIANTS GRAPES & GRASSHOPPERS
 SIX-WEEK BIBLE STUDY FOR "KINDLE THE POWER"
 SERIES BY WOMEN'S DISCIPLESHIP

GIANTS *Grapes* & GRASSHOPPERS

When the Enemy—your personal giant—tries to make you feel like a grasshopper in his sight, remind him, "God is aware of me every moment of every day. He bottles my tears, orders my steps, numbers the hairs of my head, and knows my joy and my sorrow. Nothing I face is ever too small or of no interest to my God. Every detail of my life matters to Him. I rest assured knowing that He has me covered and is constantly watching over me. I abide in the shadow of the Most High God, and the Enemy cannot come near my dwelling place."
